We have designed our wedding packages to be as inclusive as possible, incorporating complimentary tables and chairs. We also have a list of preferred caterers and amazing vendors to help you create a smooth and stress-free event.

See pricing and vendor insert.

BEFORE THE BIG DAY

We encourage anyone considering Treehouse Point as their venue to schedule a preliminary site visit. Once you have decided our venue is "the one," we will create a contract for you. You will then have two weeks to return the contract along with a 50% deposit to hold the date for Bonsai, Maple, and Sequoia packages and a 25% deposit on the Douglas Fir Package. The final payment is not due until four weeks prior to your wedding day.

After receiving your contract and deposit, we will send you additional information regarding any other items required before your celebration, access to your planning portal, and free wedding website builder.

At that point, you are welcome to schedule up to four hours of planning time with the Venue Manager, as well as site visits for you and any vendors who would like to visit Treehouse Point.

The Treehouse Point Venue Manager will assist in any logistical planning involving the venue. They will also guide you to vendors that best suit your needs and build out floor plans based on your guest count and wedding day itinerary. The role of the Venue Manager is vast, but it does not include day of coordination. If this is something you would like feel free to check out the Vendors We Love insert.

YOUR WEDDING DAY

Our Cedar Wedding Suite located in The Lodge will be ready and waiting for your day to begin at 1:00p. While you're getting ready, our staff will set the tables and chairs based on the custom floor plan. The wedding ceremony can begin as early as 4:00p and guests may arrive up to 45-minutes prior.

The Treehouse Point parking lot is compact. Guests must carpool and shuttle service is required.

COCKTAIL HOUR

The majority of our caterers are full service and will also manage your rentals and bar service throughout the evening. Each caterer has varying policies regarding alcohol. Please reach out to your Venue Manager if you are considering alternative bar service.

The Pond Room and its back deck include the use of our string lighting, live edge stationary countertop, and beautifully-crafted wooden bar. We also include a minimal stationary sound system. You are welcome to build your own playlist and use a phone or tablet to utilize our auxiliary setting. The projector and screen are also available for use.

CEREMONY

LOWER LAWN

Ceremonies on the lower lawn are held year round, when the weather is just right. You are welcome to add floral and decor to our chairs and our rustic wooden arbor or to simply let the lush forest speak for itself.

POND ROOM

Ceremonies may also be held inside our cedar-lined Pond Room. This space is an ideal ceremony location for groups up to 40 attendees between November and April.

DINNER

SAVOR YOUR SPECIAL WEDDING DINNER AMIDST THE WOODED GREENERY

For peak season weddings, dinner is typically held under the tented deck, and The Pond Room is utilized for reception, and dancing.

Most couples rent linen and tableware through their caterer, as these items are not provided by Treehouse Point. We do ask that you choose a caterer from our preferred caterer list. All our caterers are wonderful and provide a variety of service styles and menus. If you would like to use a caterer outside our list please consult with the Venue Manager.

For peak season weddings, your rental includes our 20'x40' tented deck. The deck can accommodate various table arrangements, with seating for up to 80 guests.

The Pond Room is also a spectacular dining space for off season weddings, the space can seat up to 40 guests.

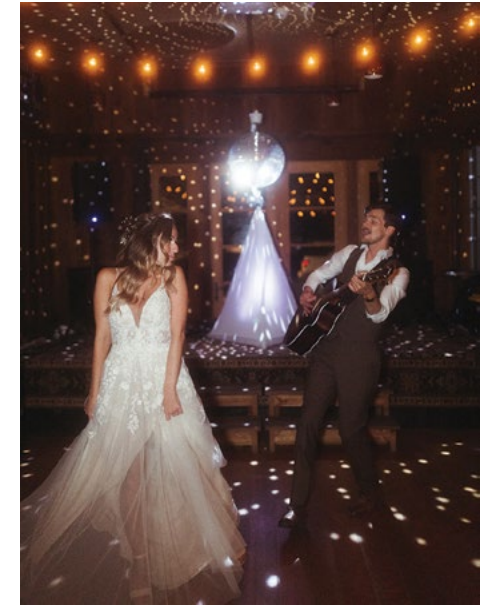

CELEBRATE

Cap the night with dancing in The Pond Room with your family and friends.

At Treehouse Point we do our best to follow local noise ordinances. To respect our natural surroundings and neighbors we require that last call happen at 9:45p and the bar be closed and amplified music be turned off at 10:00p.

At 11:00p all non-overnight guests should say goodbye and make their way home via shuttle service.

At this point in the evening your overnight guests are welcome to continue to celebrate until 1:00a or get comfortable in their pajamas to enjoy some complimentary s'mores around the fire.

THE TREEHOUSE

EACH TREEHOUSE IS UNIQUE

From Ananda to Nest, each treehouse is a memorable stay for you and your guests. Typically couples choose between Ananda, Burl, and Temple of the Blue Moon for their wedding night stay. Take a look at our Accessibility & Accommodation sheet as this will give you a good idea of who to place in what treehouse for their overnight stay. This worksheet is required to be completed 4 weeks prior to your wedding day.

BREAKFAST

A homemade breakfast buffet is served for your guests the morning after your wedding. The service time runs from 8:30a–10:00a leaving your guests with an hour to pack up their things, load out the wedding items and depart by 11:00a.

We do our menus for breakfast a little differently, our chef is very talented and makes a menu based on seasonal availability and your guests allergies and dietary restrictions. Reach out to your Venue Manager for an example of a menu that was a hit in the past.
